IMEX BATH EQUIPMENTS

Imex Products, S.L.

IMEX is a company located in Picassent, (Valencia) dedicated to the manufacture and marketing of shower rails and taps. We started out in 2001, supplying bathroom and shower materials to manufacturers in the sector.

Over the years and with accumulated experience we have developed a series of products with a design and a very competitive price in the market.

Our products are medium-high range, always using the best raw materials available on the market, such as top quality brass or steel S304 and S316, which have made us be represented in the national and international territory.

At IMEX we always try to be at the forefront of design, which is why we are constantly committed to R+D+I.

Our values are the excellent relation between quality - design and price. Our commitments are as follows:

- To achieve the highest quality standards.
- To bear in mind that the customer is our first concern and their satisfaction our main objective.
- To surround ourselves with great professionals.

In order to achieve a balance between these objectives, we constantly strive to improve and innovate our products.

You will find the result of all this in our catalogue.

UPDATE AND COLLECTIONS MAINTENANCE

MOLDING CHANGES

Some of the articles supplied by IMEX PRODUCTS, S.L. may have non-substantial modifications of some of their components compared to the photographs published in the catalogue.

IMEX PRODUCTS, S.L. reserves the right to make such changes in order to improve the design and functionality of the product, as well as its sales conditions.

CLEANING AND MAINTENANCE TIPS

Imex Products recommends using non-abrasive cleaning products with a neutral Ph, which will not damage our products, to clean our taps in matt black or matt white finishes.

Following the product manufacturer indications, it is highly recommended to use a microfibre cloth and to always dry the product. In this way we will extend the taps' life.
